Return reason entry

Authorization level management*

Watch for fraud and manage cash accurately by keeping records of cash in/out. Preventive functions such as operation log viewer, cash balance check by cashier, return reason entry, authorization level management, and more.

Various Promotional Functions

Stimulate the motivation to spend by;

- Ads and coupons on receipts
- Appealing promotion videos on customer display

"Japan Quality" Hardware for Non-stop Operation

Laser
CCD
Fast and accurate scanning with Advanced CCD technology

Large color screen with touch panel

Survive a drop from 1.5m height
IP45 dust / water resistance

- Main components are replaceable without tools
- Shorter service time contributes to minimum down time and lower service costs.

Main Functions

Mobility

Ordering	Return to vendor
Inspection	Price look-up
Inventory count	Price label request
Write-off	Simplified price entry
Inventory transfer	Data transfer

POS

Sales entry	By measure sales
Promotional discounts	Multi-tax settings
Promotion	Authority level management
Return registration	Item registration
End of day report / close-out	Mid-period cash collection

POSICON

POS data distribution
Daily sales report
Master maintenance
E-journal search
Clock in / out

Back Office

Ordering	Inventory count
Write-off registration	Inventory viewer
Inventory transfer	Slow-moving item inventory viewer
Inspection	Attendance management*
Return	Authorization level management*

Back Office System requires additional PC

*Functions on roadmap

Mobility Hardware Specification

CPU	800MHz
OS	Windows Embedded CE
Memory	RAM 256MB/Flash ROM 1GB
Display	320 X 480 HVGA
Screen Size	3.5 inch Diagonal (50mm X 75mm)
Scanning System	Advanced CCD Scanning
Wireless I/F	IEEE802.11 a/b/g
Battery (Operation Time**)	2300mAh (Spec. 4.1hrs) (Tested Score Approx. 8.4 hrs)
Shock-Resistance	Worktable after 1.5m X 60 times on concrete at ambient temperature 25C
Weight	Less than 370g

POS Hardware Specification

CPU	Atom, Celeron, Core-i3, Core-i5 or Core-i7
OS	Windows POSReady 2009
Memory	DDR3 1GB up to 4GB
Storage	3.5" HDD(SATA) 320GB
LAN	10/100/1000/Base-T
Operator Display (With Touch Panel)	12"(XGA), 15"(XGA) or 17" TFT (SXGA)
Customer Display	12"(XGA), 8"(SVGA), VFD or None
Power Consumption	Celeron, OP15", CU8", MSR: 60W, Max config.: 180W Max capacity: 250W
Dimensions WxDxH mm	12": 300x235x403, 15": 363x239x415 17": 401x244x432
