

## It takes a dynamic infrastructure to sustain growth while staying green.

A business is like a tree. It relies on a strong root system to grow and thrive in a changing environment. NEC's Dynamic IT Infrastructure provides the resilience and flexibility necessary for a successful enterprise to evolve, grow and succeed. Our portfolio of hardware, software, services and solutions provides every element of an integrated IT infrastructure. This flexible architecture lowers your total cost of ownership by enabling scalability, adaptability and evolution without forklift upgrades, while collectively minimizing the carbon footprint and impact on the environment.

As a global IT and networking powerhouse, NEC provides such innovative IT infrastructure solutions and more. Whatever your challenge, you can be sure of one thing. NEC empowers you through innovation.
