

High Availability Software “EXPRESSCLUSTER X” SAP NetWeaver Clustering Pack

SAP NetWeaver Specified Product,
“EXPRESSCLUSTER X for SAP NetWeaver”
is added to the product lineup!

Robust Certified HA Product

■ SAP HA Interface Certification

Acquired “SAP NetWeaver High-Availability Cluster” in both Linux and Windows platforms. As EXPRESSCLUSTER itself controls SAP component over connector, users can use more robust systems.

Easy-to-Use Pack Product

■ Configuration Guide and Required Modules Bundled

Developed dedicated module to intercommunicate running status with SAP NetWeaver, and put in a all-in-one package. This product includes SAP linkage module and SAP clustering manual, required for SAP clustering.

Long implementation history

■ Rich Implementation Record

EXPRESSCLUSTER has implementation record such as system failure prevention, disaster recovery and so on in various fields/industries. EXPRESSCLUSTER X achieved No.1 market share for availability and clustering software in Asia Pacific region for 8 Straight Years.(*1)

SAP Certified

Integration with SAP S/4HANA
