

## InUC

COST-EFFECTIVE UNIFIED  
COMMUNICATIONS APPLICATION

## BUILT-IN WEB-BASED PRESENCE, IM, VIDEO CALL DOCUMENT SHARING AND MORE

In today's working environment, employees are spread across different locations. InUC provides a highly cost effective, video and collaboration solution, which works seamlessly within your IT environment. Users are able to quickly set-up audio and video connections from anywhere. All they need is an internet with a VPN or a LAN connection.

## InUC

## USER &amp; BUSINESS BENEFITS

- > **Increase your productivity levels:** Time-saving features for all your work force
- > **Lower costs:** Single initial cost, no recurring monthly subscriptions
